

City of Santa Barbara
Airport Department

DATE: July 21, 2010
TO: Airport Commission
FROM: Karen Ramsdell, Airport Director
SUBJECT: Lease Agreement – Specified Lighting and Design

RECOMMENDATION:

That Commission approve and authorize the Airport Director to execute a month-to-month Lease Agreement with Specified Lighting & Design, Inc., a California Corporation, for 732 square feet of office space and 144 square feet of office space, at 629-E Norman Firestone Road, at the Santa Barbara Airport, effective July 1, 2010, for a monthly rental of \$1,154, exclusive of utilities.

DISCUSSION:

The subject Premises is located south of Hollister Avenue in an Airport Facilities (AF) zone.

Specified Lighting & Design, Inc. is a Santa Barbara lighting design business that has been an Airport tenant in good standing since 1999. The Premises is used as offices and storage of catalogs and trade publications. The use conforms to existing zoning.

Specified wishes to add 144 square feet of storage space to its premises for the storage of catalogs and fixtures.

The proposed monthly rental is based on a rate of \$1.43 per square foot for the office space and \$.75 per square foot for storage, and is comparable to other buildings on the Airport for similar use and in similar condition.

In addition, Specified will pay monthly utilities charges of \$33 for water, \$18 for sewer service, and a proportionate share of electrical, gas and janitorial service.

The proposed Lease Amendment Agreement has been negotiated based upon the criteria set forth in Resolution 93-127, and has been reviewed and determined to be exempt from environmental review.
